

# HONOR PROGRAM

**F**or many years San Juan Pools has paid tribute to the Disabled Veterans of our armed forces by donating an installed San Juan Fiberglass pool to aid in their recovery. This year we have taken a larger step in honoring the military personnel of the United States Army, Navy, Air Force, Marine Corps and Coast Guard by establishing a special "HONOR PROGRAM" whereby a contribution towards their unselfish service to our country can be made.

For all ACTIVE DUTY and RETIRED MILITARY PERSONNEL San Juan Pools is initiating an HONOR PAYMENT PROGRAM for each San Juan Fiberglass pools purchased during the 2011 year. An Honor Payment will be sent to you by US Mail upon receipt of the payment certificate. For each of you who purchase a San Juan pool shell we will send your certificate to you upon receipt of your completed warranty form and active duty or retired support document. Your payment will vary according to pool shell size listed below.
